Chancellor Galbraith speaking at Friday's memorial ceremony for Dr. Martin Luther King.

The assassination of Dr. Martin Luther King had a deep and profound effect upon members of the U.C.S.D. academic community. Classes were cancelled Friday by order of UC president Hitch and a rally was held in the Geisel Auditorium. Chancellor Galbraith held an official memorial service in the grassy knoll behind the library at noon. This was followed later in the day by a march into La Jolla and a demonstration at City Hall in San Diego, where a series of recommendations were presented.

Chancellor Galbraith told the students that King's dream is far from realization. He said that "the time is upon us when all blacks and whites must unite to translate his dream into reality."

Dr. William McGinn, Chairman of the Academic Senate at UCSD, then spoke, saying, "we grieve for our country where such things can happen."

Dr. Verderly, head of the Black Students' Union told the crowd that King's assassination "stands as a monumental testament to the USA, and concludes that period in American history when the Black oppressed appealed non-violently to the conscience of the White oppressors."

He continued: "If the white community feels real compassion for Martin Luther King's death, they can show it by voting for a candidate who is less than with the usual conscience-solving rhetoric."

Speakers stressed that UCSD is not exempt from racism and made several proposals in regard to the university. At the conclusion of speechs, the Black students presented a silent walk-out. The students were made up of three candidates. The three candidates were chosen from the three senators-at-large who are sophomores, juniors, and seniors will vote for Upper Division Senators. There is any question concerning a voter's class standing, consult the Provost's Office of the respective College and be prepared to show evidence of that status.

Several hundred students and other members of the academic community marched through the streets of La Jolla in what was termed "the beginning of a crusade to end white racism in America."

After the morning commemoration service for Martin Luther King, the students went to the downtown and gathered on the streets of La Jolla before heading to the City Hall in San Diego. The march ended with a silent walk-out. The students were made up of three candidates. Letters to the Editor

Editor, Triton Times:

That letter from Syris Brown was printed, demanding Jameson's ouster; the demand for anarchy was printed in the same breath, but we are in the unique position of being able to perhaps do something about the situation.

The letter tapers off in the middle, but its theme is that the student is not being listened to, that the decision to fire Jameson was a bad decision, and that the administration should listen to the students. It is a plea for unity and a call to action.

As a student at UCSD, I feel that the administration is not doing enough to address the concerns of the students. The letters to the editor are a way for us to express our opinions and to hopefully bring about change.

Sincerely,
Mike Brown

Dear Triton Times,

I was, as usual, extremely pleased to see the extremely enterprising, witty, and satirical humor that will forever be known as the only possible attitude holding a trowel.

New Sellers Movie Is Wild

By Dave Sackman

Peter Sellers is probably the best known actor in the world. Unfortunately, many of the films in which he has appeared have been somewhat tedious. Sellers' new film, however, is a breath of fresh air.

In this film, Sellers plays a characters who is a favorite of the American public. The character is a good-natured, kind-hearted, and always ready to help others. The film is a great example of how Sellers' unique talent can bring life to any role he chooses to portray.

The plot of the film is simple: Sellers is a detective who must solve a mystery. Along the way, he meets a variety of interesting characters, each of whom adds something special to the film. The chemistry between Sellers and his co-stars is excellent, and the film as a whole is a joy to watch.

In conclusion, Peter Sellers' new film is a must-see for fans of the actor and for anyone who enjoys a good laugh. It is a film that can be enjoyed by people of all ages, and it is sure to bring a smile to the faces of those who see it.

Sincerely,
Dave Sackman
SPORTS Announcements

In the final game of the Championship Tournament, the But­Fakes beat the Purple Goophers 40-39. The But-Fakes led at the end of the first quarter, held this 10 point lead until the middle of the third, when the Purple Goophers made their now famous last quarter surge which fell short. The coming week will show if the team can win outside the city, as they take on UC Santa Barbara and Cal State Fullerton in two very tough matches.

SOCcer

The UCSD intercollegiate soccer team is now holding practice sessions twice a week in preparation for their initial season in the fall. This is not the club that has been organized for the past few years, but is the under­graduate intercollegiate squad that will represent UCSD in the newly formed soccer league in Southern California. The league includes teams from UC River­side, Santa Cruz, San Diego State, Long Beach State, and UC Irvine. Those interested should contact Dr. Sarolli for more information.

FOOTBALL

Coach Walt Hackett is anxiously anticipating the 29th of April, because on that day, he will be able to see what kind of football talent he has on this campus. Monday, April 29th, is the first day of Spring training, and enrollment will be issued, and introductions given. The time will be around 3:30 in the PM, so you will likely need to try to work something out.

The first game for UCSD will be held here on campus, Saturday, the 30th of September, against La Verne. The remainder of the season will see games against St. Mary's, Loyola, Cal Lutheran, Cal Tech, Cal Western, and Santa Maria.

BASEBALL

Last Saturday afternoon saw the Tritons beat the visiting University of California Santa Barbara 3-1. The next game was won by the UCSB squad by a score of 2-1, only by going into extra innings. Coach Dower shows his pole vaulting style in a recent track meet. The coming week will show if the team can win outside the city, as they take on Cal Western and were dropped 4-2.

After the Riverside win, and two previous wins over the San Diego State JV, the Triton's record stands at 4-4, which is pretty fair for a first year team. The players have a bye week and go on the 16th of April.
