

## **Final Steps Checklist**

### **Design a Course of Action to Implement the Decision:**

- **What goals and objectives do I want to create for the direction I have chosen?**
- **What courses will I take?**
- **What topics will I research?**
- **What Functional, Specific Knowledge, and Personal Trait Skills do I need to develop?**
- **What experiential activities will I pursue?**

### **Implement the Decision:**

- **Which majors am I interested in? (List 3)**
- **In carrying out my major plans, what specific steps will I take and when will I take them?**
- **Who or what resources can I call upon to support me in my efforts?**
- **How will I hold myself accountable and how will I reward myself for following through on my plans?**

### **Evaluate the Decision on the Basis of the Outcome:**

- **How well is my decision working?**
- **What can I do to make it better?**
- **What new decisions am I now in a position to make?**
- **What fits and what doesn't fit at this point?**
- **Review prior self-assessment activities for clues if something doesn't seem to be working for you.**
