Course Requirements

Attendance is required at both lectures and section meetings. In sections, Teaching Assistants will take attendance and may give unannounced quizzes. You are expected to come to lecture with the assigned readings completed and to section prepared to discuss readings and ideas. If you must miss a lecture or section, it is your responsibility to find out anything you missed. Section attendance, participation, and any quizzes will be reckoned into your final grade.

Writing Assignments	350 points
Midterm Exam	200 points
Final Exam	350 points
Section Attendance/Participation	100 points

Final grades will be based on the following scale of points:

A+ = 1000-967	B+ = 899-867	C+ = 799-767	D+ = 699-667
A = 966-934	B = 866-834	C = 766-734	D = 666-634

Course Policies

All assignments must be submitted on time and must be your own original work. A paper that has been submitted to another class (or that is substantially the same as one submitted to another class) is not acceptable. **You must complete all assigned work in a timely fashion to pass the course.**

Many students continue to be confused about giving proper credit to authors of works used as resources for MMW papers. Standard disciplinary action for plagiarism is to record an "F" for the course and place a disciplinary letter in your file. If you have any questions about the proper use and citation of sources, please consult your Teaching Assistant or the Writing Program Office.

A final grade of Incomplete will only be given in cases of health or family emergencies occurring in the last week of class. Requests for an Incomplete for medical reasons must be supported by a slip from a doctor.
